

**CARLY**

No way José.

**CONNOR**

Hey, what was that for!

*CARLY stops. She is clearly angry.*

**CARLY**

What for? WHAT FOR? For dumping me like a sack of dirt, that's what for.

**CONNOR**

I never dumped you. You have ever been in my heart. Then, now, and forever!

**CARLY**

You never dumped me? What do you call going away without a word followed by years of silence?

**CONNOR**

Intermission.

**CARLY**

How could you? HOW COULD YOU? I gave you the best years of my life.

**CONNOR**

We were in college.

**CARLY**

I gave you the best semesters in my life and what did I get from you? Not one word! You didn't want to speak to me then, well then don't speak to me now.

**CONNOR**

And so the curtain rises on Act Two. *[sings, as if in a recitative]* Carly! Let me explain.

**CARLY**

Let you explain? I wouldn't even let you shine my shoes.

*CARLY walks away, then returns after a sudden thought.*

**CARLY**

Hang on a minute. Are you stalking me?
